

# West End Morecambe Big Local Mental Health activity

## Ideas from less well-established groups

We recognise that there might be small or new West End groups who may have ideas related to mental health but are not confident about how to take them forward. Our commission and form may not be suitable for such less well-established groups.

Nevertheless, we would be glad to hear about such Mental Health ideas. We promise to look at all suggestions and, if something fits, we will try and find a way to help or to point you to other avenues of support.
